Termination of AIRBRAKE, AIRWORTHY and RNDEPLOY

1. Attached herewith are the agent service records of AIRBRAKE, AIRWORTHY and RNDEPLOY. Letters of termination on subjects are being forwarded under separate cover.

2. Subjects were employed as OBOPUS operational agents. AIRBRAKE was a member of Fig Team while AIRWORTHY and RNDEPLOY were members of Willow Team.

3. Insofar as all three of these individuals have been used operationally in Albania, their knowledge of KUBARK activities, as far as we can determine, centers only around operations that they themselves engaged in. To the best of our knowledge, subjects are not aware of the true identities of any OBOPUS personnel.

4. AIRWORTHY and RNDEPLOY were sent to Lavrion March 31. AIRBRAKE was permitted to seek other employment in Menedi.
